Dear Potential Sponsor:

Suicide is in the news and in popular entertainment now more than ever, especially in regard to teens. Our community can play a role in building up the child's mental health simply by becoming aware of the risk factors and warning signs that can lead to suicide, making ourselves available to any child, knowing how to practice having a caring conversation, and being aware letting them know that help is always available. The Teen Suicide Summit brings together educators, licensed professionals and community members in an environment that is a safe space to discuss, act, and help save the lives of teens through awareness, intervention and prevention.

The Teen Suicide Summit will be held at the (Tougaloo College, Jackson, Mississippi , September 30, 2023, 9:00am to 2:00pm). Our goal is to have 250 participants. The summit will model conference style sessions that will include break-out sessions for all participants (parents, teens, professionals, etc.).

I am writing this letter to ask you for your support by way of donation as a sponsor or an in-kind donation. In order for events like this to be successful, we definitely appreciate the support of our community. All donations will go toward the venue, marketing, food and resources for the conference participants.

We look forward to working with you, and we hope to hear from you soon.

To confirm your sponsorship or to request more information, please 601- 559-0599 or email teensuicidesummit@gmail.com.

Warm regards,
